

# You Need a Checkup!

Is disease the  
worst danger we  
face in this world –  
**or is there  
something even  
worse?**

Many terrible diseases are caused by viruses that enter a human body and attack healthy cells until the entire body becomes infected. A sick person can spread a virus to other people through coughing, sneezing, or unwashed hands.

It is possible to have a virus and not know it. This is why it is important to visit a healthcare provider to receive a physical examination, otherwise known as a **checkup**. By asking questions and examining a patient, a doctor can determine a patient's physical condition.

But, do you know there is a kind of sickness facing every person today that is far more dangerous and life-threatening than any virus or disease, one that **NO** healthcare provider can treat or cure?

**The only way to properly assess this dangerous, life-threatening problem is through a **spiritual checkup**. Just like a physical checkup, a spiritual checkup starts with a series of questions.**

**Perform a spiritual checkup on yourself by answering these questions:**

1) Do you have any spiritual beliefs? \_\_\_\_\_  
\_\_\_\_\_

2) To you, who is Jesus Christ? \_\_\_\_\_  
\_\_\_\_\_

3) Do you believe in Heaven or Hell? \_\_\_\_\_  
\_\_\_\_\_

4) If you died today, would you go to Heaven? Why?  
\_\_\_\_\_  
\_\_\_\_\_

If you are uncertain about your answer to Question 4, would you like to know how to be **SURE** you will go to Heaven when you die?  
(Circle One) **Yes** **No**

If you answered **YES - Keep Reading!**

**G**od loves every human, because He created us. And God created every human with a soul, which will live somewhere for all eternity. God's Word, the Bible, tells us "*For God so loved the world, that He gave His only begotten Son, that whosoever believes in Him should not perish, but have everlasting life. For God sent not His Son into the world to condemn the world; but that the world through Him might be saved.*" (John 3:16-17)

What is the danger from which we need to be saved?

**The danger of SIN!**

**G**od wants every person He created to live with Him for eternity in Heaven. But God is holy and just, and no sin can be in His presence. The problem for humans is we have all been born with the nature of sin. No one needs to teach a child to do bad things – it is their nature! The Bible says, “...*There is none righteous, no, not one:*” and, “*For all have sinned, and come short of the glory of God;*” (Romans 3:10, 23)

**B**ecause sin separates us from God’s presence for eternity, sin is a bigger problem than any disease! Just one sin causes a person to die a spiritual death, which leaves them with only one destination when their physical body dies, a place called Hell, outside of the presence of God forever.

**B**ut, do you know that God provided a **CURE** for your sin problem?

**SIN • GREED  
LUST • LIES • HATE  
JEAZOUSY**

**G**od tells us that all humans must be cured, or **saved** from their sin problem. (Acts 4:12) Because of our sin nature, we can't **save** ourselves. But there is good news – God provided a way for all humans to be reconciled to Him through His Son Jesus Christ!

**J**esus lived on Earth in a human body like ours, but since He was God in the flesh, Jesus did not have a sin nature, and **He never sinned.**

*“For Christ also has once suffered for sins, the just for the unjust, that He might bring us to God...”*  
(1 Peter 3:18)

**J**esus loved us so much that He shed His sinless blood on the Cross, paying the penalty for our sins, and dying in our place. Then Jesus rose up from the grave, proving He is God's Son, and demonstrating His power over sin and death.

*“... Christ died for our sins according to the scriptures; and that He was buried, and that He rose again the third day...” (1 Corinthians 15:3-4)*

**J**esus paid an enormous price for your sin, but He freely offers salvation as a gift to all who put their faith and trust in Him. *“For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord.” (Romans 6:23)*

What must you do to receive the free gift that Jesus Christ offers you as the cure for your sin?

**It's as simple as ABC!**

**A**DMIT your sin problem, repent, and Ask God for forgiveness. “*Repent ye therefore, and be converted, that your sins may be blotted out...*” (Acts 3:19)

**B**ELOVE by faith that Jesus paid Bfor your sins ... “*Believe on the Lord Jesus Christ, and thou shall be saved...*” (Acts 16:31)

**C**ALL on Jesus to save you from your Csins. To call on Jesus, pray to Him in your own words, admit you are a sinner, believe in His finished work on the Cross, and confess Him as your Lord and Savior.

“*That if thou shall confess with thy mouth the Lord Jesus, and shall believe in thine heart that God has raised Him from the dead, thou shall be saved.*” “*For whosoever shall call upon the name of the Lord shall be saved.*” (Romans 10:9,13)

When you receive Jesus as your Savior, you become a Child of God, born into God's family through the supernatural work of the Holy Spirit.

*"But as many as received Him, to them gave He power to become the sons of God, even to them that believe on His name:"* (John 1:12)

When you become a Child of God, you need to **GROW** in Him:

**G**o to a Bible-Believing Church where Jesus is Preached

**R**ead the Bible, God's Word, and Talk to Him in Prayer Each Day

**O**bed His Word – Follow Him in Baptism and Discipleship

**W**itness to Others by Sharing what God has done for you

If your spiritual checkup resulted in a decision to accept Jesus as your Savior, the Bible says you are ***born again*** (John 3:3) and your name is found written in the Lamb's Book of Life! (Revelation 21:27). God promises you a personal relationship with Him, and that you will spend eternity together in Heaven.

*"And I give unto them eternal life; and they shall never perish, neither shall any man pluck them out of my hand."* (John 10:28)
